

MEMBERS ONLY BENEFITS

Jan. 2025 Edition

NCL

National Coalition of Labor

Brothers and Sisters,

While Organized Labor continues to fight for the middle class, MACRC will continue to strive to make things better for our Membership. MACRC's leadership takes great pride in the work we do to improve our members' lives with the benefits we so greatly deserve.

At work, you receive the protections of a collective bargaining agreement and dedicated staff that works to advance your economic security and prevent employers from taking advantage of you.

Outside of work, we provide benefits like retirement and healthcare to protect you and your family. We are pleased to share some additional new benefits that are available to you and your family as dues-paying members of MACRC. The benefits in this guide are provided either free or at deep discounts, and these providers have been vetted by union leaders to ensure that you won't run into any intrusive sales tactics.

We are able to provide these benefits to you because we've joined a coalition of unions and used our purchasing power to drive down prices from benefit providers. This coalition currently represents nearly 300,000 working men and women around the nation; and as more unions join the National Coalition of Labor, we will continue to add new members-only benefits.

Union membership is the last line of defense for the hard-working men and women of our great Local and all Organized Labor. We are happy to partner with these great organizations and we look forward to watching the membership grow in the coming months.

In Solidarity,

Kevin McLaughlin
Executive Secretary-Treasurer
MACRC

LOW-COST SHORT-TERM DISABILITY INSURANCE

We are excited to announce that active members are now eligible for up to an additional **\$250 or \$500 per week of tax-free income** in the event you become sick or injured on or off the job. This benefit is available to active members for an affordable \$13.75 or \$27.50 per month.

Your most valuable asset is your ability to work. How long would your checking account last if you suffer an injury (on or off the job) or if you become ill? What financial obstacles will you have to face if you cannot work for 1 month, 3 months, or even 6 months? How long can you pay your mortgage, utilities, or car payment?

Would an extra \$250 or \$500 per week of tax-free money help?*
Short Term Disability Insurance will help to cover your expenses if you are unable to work.

CL SOCIAL SECURITY CD DISABILITY Z INSURANCE

The National Coalition of Labor has partnered with SSDC Services Corp., a national advocacy firm specializing in Social Security Disability Insurance (SSDI) benefits and Medicare coordination. SSDC identifies whether you or your dependent(s) are eligible for SSDI benefits and early Medicare and becomes your Advocate for filing and obtaining these benefits.

WHY SSDI?

SSDI can provide disabled individuals an increased monthly income, early eligibility for Medicare benefits, additional dependent benefits and more.

WHY EARLY MEDICARE IS IMPORTANT

Medical expenses typically drop when you enroll in Medicare. Medicare plan enrollees can have lower out-of-pocket costs when they see doctors or other providers.

NO OUT-OF-POCKET PAYMENT

There is no cost unless you are awarded SSDI benefits. SSDC will never charge you for medical records or travel expenses. Fees to members are at least 20% lower than what Social Security allows.
